DEPARTMENT OF FINANCE

MINERAL PROPERTY TAXATION ACT

WHEREAS the decisions of the Court of Revision, appointed by Order in Council No. 2209, approved October 1st, 1959, under authority of the *Mineral Property Taxation Act* and the *Taxation Act*, in respect of the appeals of Empire Development Company Limited against the mineral property assessment for the years 1958 and 1959 made by the Provincial Assessor at Courtenay of the minerals within, upon, or under the property described as Lot 1533 (Merry Widow No. 5) and Lot 1532 (Kingfisher Fraction), and in respect of the appeals of Texada Mines Ltd., against similar assessments for the same years made by the Provincial Assessor at Nanaimo of the minerals within, upon, or under the property described as Lot 266 (Jack North), Texada Island; Lot 268 (L.M.C.), Texada Island; Lot 265 (Boulder Nest), Texada Island; Lot 267 (Yellow Kid), Texada Island; Lot 182 (Cameron), Texada Island; Lot 53 (Eastgate), Texada Island, are being appealed by the said Companies and by the Assessors of the Nanaimo and Comox Assessment Districts to a Judge of the Supreme Court:

And whereas under the provisions of clause (d) of section 104A of the *Taxation Act* all appeals must be determined within three months from the final revision by the Court of Revision of the assessment roll appealed against, being in the above-mentioned matters November 13th, 1959:

And whereas from evidence submitted to the undersigned it would appear that the time limited by section 104A of the *Taxation Act* for determining these appeals may not be sufficient:

And whereas the application for extension of time suggests that the Judge hearing these appeals should be permitted to hand down his decision "at his pleasure":

And whereas because of the need to conclude these appeals within a reasonable period of time it is deemed advisable to extend the time for the Judge hearing these appeals to hand down his decision only until March 31st, 1960, but with leave to apply for a further reasonable extension if it becomes necessary:

Therefore, His Honour the Lieutenant-Governor in Council, by Order in Council No. 2978, approved December 29th, 1959, has been pleased to order that, pursuant to the provisions of section 9 of the *Mineral Property Taxation Act* and section 163 of the *Taxation Act*, the time-limit for determining the appeals referred to herein as fixed by section 104A of the latter Act be extended to the 31st day of March, 1960, with leave to apply for a further reasonable extension if necessary.
